144-core optical cable installed

Overview

On average, the **144 core fiber optic cable cost** ranges from $2 to $6 per meter for standard single-mode cables without additional features. Corning ALTOS® all-dielectric gel-free cables are designed for outdoor and limited indoor use for backbones in lashed aerial and duct installations. The loose tube gel-free design is fully waterblocked using craft-friendly, water-swellable materials, which means cable access is simple and no clean. 144 Core Fiber Optic Cable GYTY53 Outdoor Armored Double Jacket Waterproof Gel Filled loose tube direct burial is used for direct buried underground, it suit for long distance and LAN fiber communications, we supply both the single mode GYTY53 cable and multimode GYTY53 cables. 144-Core GYTY53. Optical Cable Corporation's Indoor/Outdoor tight-buffered fiber optic cables meet the functional requirements of the following standards: UL-listed type OFNR in accordance with NEC sections 770-179 (B) and 770-154 (B) for use in vertical runs in building riser shafts or from floor to floor. Instead of a traditional interlocking armor, it utilizes a stainless steel coil technology. This allows for the cable. Fiber Cable, Singlemode, 144 ct., Single Jacket, Single Armor, Single Jacket, Loose Tube, Reduced Water Peak, Dry/Dry, Price Per Ft., Our reels have
