

8-Port 100Mbps Switch for Industrial Use

8-Port 100Mbps Switch for Industrial Use

Unmanaged industrial Ethernet switch with 8*10/100M RJ45 ports. It can support dual DC redundant power input and DIN Rail mounting.

Product Overview The WIWAV® W1008-8FE-I series up to 8 Ports Ethernet devices through a rugged, energy-efficient, industrial 10/100Mbps Ethernet switch for critical applications in hazardous ...

DES1008 series Industrial Ethernet Switch adopts store-and-forward architecture, fan-less and energy-saving design to provide reliable and stable operation in harsh industrial environments.

TRENDnet's 8-Port Industrial Fast Ethernet DIN-Rail Mini Switch, model TI-ELC80, is a reliable and rugged networking solution designed for use in both extreme and demanding environments.

LNK-GY108G-SFP Series unmanaged Ethernet PoE switch is designed for hardened industrial environment. which provides fast and stable media conversion between 10/100/1000BaseT (X) and ...

Unmanaged DIN-mountable 8-port Ethernet switch is designed to expand ...

The EX32008 is equipped with eight Fast Ethernet ports. This versatile switch features 10/100Mbps transfer speeds, full/half-duplex auto-negotiation and auto MDI/MDIX operation allowing ...

The Industrial Ethernet switch can be widely used in Broadband private network: suitable for financial, government, oil, railway, electric power, public security, transportation, education and other industries;

Built with a industrial-grade design and components, the device achieves Level 4 EMC to withstand surge and ESD from power and Ethernet ports. The industrial-grade ICs, together with extra heatsink ...

The Industrial Ethernet switch can be widely used in Broadband private network: suitable for financial, government, oil, railway, electric power, public security, ...

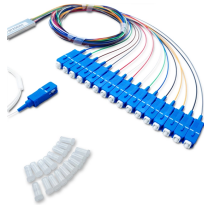

TRENDnet's 8-Port Industrial Fast Ethernet DIN-Rail Mini Switch, model TI ...

Specially designed for harsh outdoor applications. Its 6KV network port surge protection can adapt to harsh outdoor environment and ensure the reliability of the uninterrupted PoE system. Power input ...

Product Overview The WIWAV® W1008-8FE-I series up to 8 Ports Ethernet devices through a rugged, energy-efficient, industrial 10/100Mbps Ethernet switch for ...

Unmanaged DIN-mountable 8-port Ethernet switch is designed to expand connectivity in harsh environments, including factories, warehouses and construction sites.
