

8-fiber 16-electrical switch

8-fiber 16-electrical switch

The BP-SWM8G8F01 is a full gigabit managed Ethernet fiber switch. It has 8*10/100/1000Base-T RJ45 ports and 8*100/1000Base-X SFP fiber slot ports. Each port can support wire-speed forwarding.

Developed for long distance fiber installations. Equipped with eight SFP+ ports, two additional SFP28 ports and one RJ45 console port for configuration. With AXIS D8308 Fiber Aggregation Switch you ...

With the flexibility to expand from 16 to 48 ports in 8port increments, the CISCO, MDS 9148 offers the densities required to scale from an entry-level departmental switch to top-of-the-rack switch to edge ...

The Fiberer's 8x8 fiber optic switch is a very fast opto-mechanical switch array based on the MEMS technology. They are composed of an optical subsystem and an electrical driver interface. The switch ...

The RLH Industrial Managed Ethernet Switch offers 4 Gigabit SFP slots, 8 RJ-45 Fast Ethernet Ports, and 16 100Base-FX fiber ports. The high fiber port count makes this a great switch for aggregating ...

The AFI510 Series has several different options of Gigabit Ethernet RJ45 ports (8, 16, 24, 48) with optional IEEE 802.3at compliant 30W PoE+ and an additional 2 ...

The Managed Ethernet Switch is a smart managed switch that offers eight (8) 10/100Base-T(x) RJ-45 TCP ports together with sixteen (16) 100Base-FX fiber connectors.

Product description The new 8 ports 1G/10G desktop Ethernet switch provides seamless network connections, integrating Gigabit Ethernet and 10G Ethernet network via fiber.

The AFI510 Series has several different options of Gigabit Ethernet RJ45 ports (8, 16, 24, 48) with optional IEEE 802.3at compliant 30W PoE+ and an additional 2 multi-rate SFP ports that support ...

Search Newegg for fiber switch 16 port. Get fast shipping and top-rated customer service.

The switch is to be connected only to PoE networks without routing to the outside plant. This section includes the warning statements relating to basic installation. Read this section before ...
