

# Compatible QSFP28QSFP-DD optical module from a Finnish supplier

## Compatible QSFP28QSFP-DD optical module from a Finnish supplier

The QSFP28 module provides 100GBase-LR4 throughput up to 10km over a ...

Choosing a selection results in a full page refresh. F-tone Networks is a brand of fiber optic products factory outlet dedicated to delivering quality compatible optical transceivers at wholesale price.

Learn how to choose QSFP modules for 40G, 100G, QSFP28, QSFP56, and 400G QSFP-DD networks. Compare speed, distance, fiber type, compatibility, and LINK-PP products.

As part of our reference series, before we get into a new set of content, we wanted to quickly show the difference between QSFP and QSFP-DD modules.

Discover the differences between QSFP-DD and QSFP28 form factors in the world of fiber optic transceivers. Choose the best module for your network needs with LightOptics®.

The QSFP28 module provides 100GBase-LR4 throughput up to 10km over a standard pair of single mode fiber (SMF) with duplex LC connectors. This transceiver is compliant with IEEE 802.3 ...

Need Help Choosing the Right Module? Our experts are ready to assist with compatibility questions, deployment planning, and bulk order solutions. Whether you're optimizing an existing network or ...

Explore the compatibility of QSFP28 and QSFP-DD transceivers in data centers. Discover how these optical modules support high-speed data transfer and more.

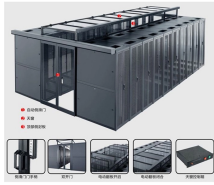

See the Compatible split optical transceivers to lower-speed transceivers section in the Overview chapter.

Find Cisco-compatible 1000BASE and 10 Gigabit Ethernet transceiver modules, covering SFP, SFP+, QSFP28, and QSFP-DD types, designed for seamless and efficient network upgrades.

Systems designed with QSFP-DD ports are backwards compatible to support existing QSFP+, QSFP28, and QSFP56 modules. This provides flexibility for network designs and migrations ...

Choosing a selection results in a full page refresh. F-tone Networks is a brand of fiber optic products factory outlet dedicated to delivering quality compatible optical ...
