

## Estonian Network Cabinet

### Overview

We are a national competence centre whose task is to provide central technological platforms and services for the digital state and to ensure a high level of cyber security for the country. The cabinet of Kristen Michal is the current cabinet of Estonia. The Estonian Broadband Plan 2030 describes actions to achieve goals set by the Estonia's Digital Agenda 2030. Led by former Climate Minister Kristen Michal, a longtime MP of the senior ruling Estonian Reform Party, the new cabinet was appointed after Michal's predecessor, Kaja Kallas, stepped down following her nomination.
