

Installation Solution for Ghana Fiber Optic Cable Fixing Clip IK10

Overview

Designed for both efficiency and durability, this closure is an efficient solution capable of handling up to 16 subscribers and 96 splicing points. It's not just a splicing closure but also a critical termination point, connecting feeder cables with drop cables. This closure integrates fiber splicing, storage, and cable management. Free next day delivery (Mon - Fri) on Ghana online orders. SAME DAY dispatch for orders before 15:00. Exceptions apply to orders being delivered to non-Ghana mainland locations. Trusted by businesses for quality and reliability. Advanced Design: Discover the solution for your FTTx network systems with our Huawei access termination closure. The engineered design provides IP65.
