

Kenya Welded Fiber Pads Anti- Electrostatic Tracking

Kenya Welded Fiber Pads Anti-Static Tracking

We are one of the renowned Anti Static Mats Suppliers and Exporters in Kenya. The offered ESD mats protect electronic products from electrostatic damage. We utilize the best quality material and the ...

In this video, we are going to show you how to set up your 5300 series ANSI / ESD compliant workstation. This is the Elimstat 5300 series two-ply static dissipative mat. It is a two-ply nitrile rubber ...

Our heavy-duty anti-static chair mats protect hard floors and allow desk chairs to move around with ease while helping to protect the user and their electronic/computer equipment from electric shock.

It is mainly used to measure the electrostatic properties of textile raw materials and finished products (including fibers, yarns, fabrics, carpets, decorative fabrics), paper, rubber, plastics, composite ...

We provide and manufacture static control technical elements such as static conductive and static dissipative flooring, anti-static floor and bench mats, anti-static wrist straps, ESD furniture, office ...

Specifically engineered to minimize or eliminate the risk of Electro Static Discharge (ESD) at source, floor coverings with either static dissipative or electrostatic conductive properties are ...

Anti-static mat can be applied on desktop, wire worktable surface and so on, to prevent equipment from electrostatic damage. Anti-static wrist strap is composed of anti-static soft elastic, buckle, soft cable, ...

Premium Heat Resistant 932°F Anti Static Mat, HPFIX ESD Mat with Grounding Wire, Grounding Plug, and ESD Wristband, Silicone Soldering Repair Mat for Computer, PC Building, Eelectronics

These matting solutions provide static-dissipative surfaces that reduce the risk of electrostatic discharge while maintaining a clean, controlled work environment.

Thorlabs' antistatic/ESD products provide protection while handling laser diodes, optical detectors, and other static-sensitive devices. We offer an ESD Table Mat, a protective surface against electrostatic ...
