

## Lcos2 single-mode pigtail fiber

## Lcos2 single-mode pigtail fiber

The OS2 bend insensitive fiber optic pigtails have less attenuation when bent or twisted compared with traditional fiber optic pigtails and this will make the installation and maintenance more efficient.

We carry Fiber Optic fusion splicers, cleavers, OTDRs, cables, panels, laser sources, power meters, and many other Fiber Optic products for any project.

Order your LC Singlemode Fibre Pigtail | OS2. Order Online today from the data comms specialists. Next day delivery and bulk ordering available.

Available in LC/PC and SC/PC with OS1 and OS2 fiber types, these pigtails ensure precise optical alignment and long-term durability. Designed for minimal insertion loss and high return loss ...
