

Lithuanian cable tray fixing accessories

Lithuanian cable tray fixing accessories

Fixings for all types of electrical installations: profiles and brackets for tubes or cable trays, clamps of different materials, nylon cable ties, etc.

From 1993 to the present day, we at SILTEC have been delivering cable routing systems and cable trays to installations around the globe. Find representatives in the US and in Canada.

Our cable tray hold-downs are engineered to provide stability and secure cable trays in place, minimizing the risk of damage and ensuring a consistent cable layout.

These tray systems allow excellent ventilation and prevent sagging while routing. They support up to 280 lbs. per foot (based on a tray support, such as hanging clamps or a hanging bar, every 8 feet). ...
