

Metal fixing clips for optical cable poles

Metal fixing clips for optical cable poles

ZION Communication focuses on optical fiber cable hardware products, offering FTTH and ADSS series solutions—including stainless steel, nylon, and ...

Pole brackets can be attached to wooden, metal, concrete poles or buildings by stainless steel straps or bolts. It is widely used in FTTH projects, to fix drop cable wire anchoring clamp and suspension clamp.

Discover the versatile addition to our range of metal and plastic cable clamps: the Ratchet P-Clamp. The innovative design makes it possible to fix wires, cables, hoses and pipes on a single mounting point ...

PMB-C01 Pole Mounting Bracket is made of galvanized steel, guaranteeing a long usage time. This metal bracket is more suitable to mount on poles with stainless steel straps. It is widely used in FTTH ...

Durable aerial hardware for fiber utility and telecom builds, including brackets, straps, J-hooks, clamps, grounding, and mounting solutions for pole line and aerial cable support.

This Pole Mounting Clamp Bracket is the perfect solution for securely attaching drop cables to poles. With two straps, it's easy to install and provides superior strength and stability.

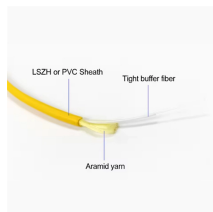

ZION Communication focuses on optical fiber cable hardware products, offering FTTH and ADSS series solutions—including stainless steel, nylon, and composite flat cable drop clamps, tension clamps, ...

This clamp suits securing cables with a diameter ranging from 2 to 8mm, or specifically for 2 x 3mm drop optical cables. With an impressive ultimate tensile strength of 2000N, this clamp ...

J hooks are used for supporting bail-type drop wire and deadend clamps from poles and crossarms. Used for supporting wire on building walls or poles. Comprised of two parts, a steel pin and a U ...

The design provides a 1-5/8" clearance from the surface of the pole to the cable and 3-3/4" clamping surface length. Material: Hot Dipped Galvanized, Ductile Iron

Discover cable management solutions with metal clips. Browse options including vinyl-coated and rubber-cushioned designs for maximum protection.
