

Mobile Spectrometer for Africa

Mobile Spectrometer for Africa

Spectrophotometers work by isolating light at specific wavelengths from white light. This compact meter incorporates a number of features that facilitate both fantastic performance and exceptional usability. ...

XRF Analysers, AA XRF Handheld Portable Dispersive X-Ray Fluorescence Spectrometer, for analyzing minerals and exploration in soil. Alloy Analysis for ...

Spectrometer Technologies distributes Spectro Ametek products in South Africa, including spectrometers and portable XRF analyzers for reliable analysis.

Choose Hach portable or benchtop laboratory spectrophotometers (VIS or UV-VIS) in combination with Hach reagents for accuracy and optimal water quality assurance. Portable, handheld ...

XRF Analysers, AA XRF Handheld Portable Dispersive X-Ray Fluorescence Spectrometer, for analyzing minerals and exploration in soil. Alloy Analysis for precious metal can easily be done.

The GoSpectro is a device that turns any smartphone or digital tablet equipped with a camera into an ultracompact and powerful light spectrometer.

Key drivers include the miniaturization of spectrometer technology, enabling portability and ease of use in various applications. The rising need for on-site analysis in fields like environmental ...

We're excited to announce that Innov-X Africa has officially partnered with Spectral Evolution to bring world-class spectroscopy solutions to Africa. ☐☐ Established in 2004 and based in ...

Whether you are looking for a high-performance XRF spectrometer or a full suite of spectrometers in Johannesburg, our solutions are designed to meet your industry's most demanding requirements. ...

Spectrometer Technologies is a leading Southern African supplier of innovative analytical and scientific solutions for the mining and industrial sectors. The company specialises in advanced material ...

The Portable Spectrometer Market is currently characterized by a dynamic competitive landscape, driven by technological advancements and increasing demand across various sectors, ...
