Optical cable gyta8

We are an experienced manufacturer and professional exporter of Aluminum Tape GYTA Fiber Optic Cable 8 Cores and Stranded Loose Tube Outdoor Fiber Optic Cable. Our products have been ...

The compact optical cable structure, specifically designed, effectively prevents the sleeve from retracting. This structure also provides good compression resistance and flexibility.

The structure of GYTA optical cable is that single-mode or multi-mode optical fiber is sheathed in a loose tube made of high modulus polyester material, and the tube is filled with waterproof compound.

GYTA is with high strength loose tube that is hydrolysis resistant and ...
