

Philippines CFP21G

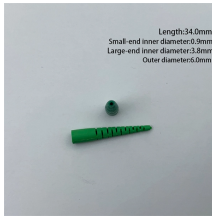

Overview

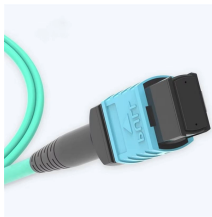

In May 2013, the Department of National Defense opened the "Frigate Acquisition Project", calling for the acquisition of two brand new frigates for the Philippine Navy with the contract price of 18 billion (around US\$437 million as of May 2013). This is after rejecting the proposal to procure two from due to a preference for acquiring new ships. The tender was a two-stage bidding system, wit.
