

Price of High Temperature Fiber Optic Attenuators

Price of High Temperature Fiber Optic Attenuators

FS fixed and variable fiber optic attenuators with leading attenuating fibers guarantee consistent and stable fiber attenuation (0~60dB) in WDM transmission.

Fixed Fiber Optic Attenuator Newport's Single-Mode Fixed Fiber Optic Attenuators offer low return loss, high mode stability and a variety of attenuation values: 3, 5, 10, 15 and 20 dB.

Waterproof and dustproof, reliable and safe
The outer classic sink design allows the sealing ring of the cabinet and door to be seamlessly compressed without leaving a trace of gaps

High-quality fiber optic temperature sensors, suitable for industrial applications. Average price around \$87, minimum order of 1 unit. Available in large volumes, ideal for distributors and resellers.

Precise and reliable fixed and variable fiber optic attenuators for optical power control. SC, ST, LC, FC, SMA connector types and In-line, washer types, and more.

We carry high-quality Fiber Optic Attenuators for Singlemode 9/125, Multimode 50/125 and Multimode 62.5/125 applications. Our Male to Female Optical Attenuation (pads) are available in all fiber modes.

We offer the industry's most extensive selection of fiber variable optical attenuators (VOAs), addressing all application scenarios with best-in-class performance and value.

Online shopping for Industrial & Scientific from a great selection of Fiber Optic Attenuators, Radio Frequency Attenuators & more at everyday low prices.

Fibermart provides LC to LC Multimode Variable Fiber Optic Attenuator VOA In-Line Attenuator 0-60dB with good price & quality! 100% Tested and Free Shipping!

Thorlabs has a wide variety of single mode (SM), polarization-maintaining (PM), or multimode (MM) fixed and variable optical attenuators (VOAs). We offer SM and PM electronic VOAs that provide control of ...

Shop DigiKey's large in-stock selection of Fiber Optic Attenuators. View inventory, pricing and order now for same day shipping!
