

Price of Japanese High-Precision MPO Adapter Module for Relay Protection

Overview

Our original Suncall Japan brand of the LC IS Quad Adapters are designed for multi-fiber applications, featuring built-in internal shutters to minimize eye exposure to lasers while providing continuous protection from dust and contaminants. Here you can find out about MPO connector / adapter products from Nissin Kasei Co. FSG provides a complete range of MT/MPO products from MT ferrules and MPO connectors to MPO cables, breakout cables, 48-336F data center cables and custom solutions for high density networks. Low insertion loss and back reflection loss process □No Doubt About Quality□High-performance polishing machine, and complemented by precision plates holders designed for MT ferrules, 3D interferometer provides. The latest MPO Series by SANWA offer unmatched optical performance and stability. Our broad line of passive fiber optic components incorporate the industry's newest injection molding technology and state-of-the-art assembly and test procedures to ensure the highest level of product quality. WCFO's MPO adapters feature precise mechanical dimensions for stable mechanical and environmental reliability.
