

Swedish European-style cable tray and hanger manufacturer

Overview

DKC is a European leader, and offers a comprehensive range of cable tray systems and energy protection, transport and distribution solutions for civil and industrial infrastructures. We help you! We understand that every project has unique requirements. Explore our wide range of lighting and accessories. The Wibe Group Cable Ladders are robust and functional, enabling the same ladder to be used both horizontally and vertically. Cable trays are yet another part of our complete cable management system. Our cable trays are produced in fit for purpose materials like stainless steel, galvanized, aluminium and fibreglass (FRP/GRP) composites to suit any project type both offshore and onshore. We believe in building fruitful business partnerships.
