

# **Swiss Standard Fiber Optic Connector Wholesale Manufacturer**

## Swiss Standard Fiber Optic Connector Wholesale Manufacturer

High-performance fiber cable connector with bayonet connection for secure fiber transmission. IP67 LC duplex connector in corrosion-resistant metal housing in the DH series size 24.

LEMO specialises in designing and manufacturing high-performance fibre optic connectors that ensure flawless signal integrity and data transmission in the most demanding environments.

With deep expertise across sectors like photonics, aerospace, medical, and industrial, we can assemble nearly any fiber type or tubing - from specialty single-mode fibers to ruggedized jacketed cables.

Specializing in cable television, satellite, and fiber optic technology, we offer you not only the right planning, consulting, and installation but also the suitable multimedia devices.

SwissOptic AG - a company within the Jenoptik Group - based in Switzerland - OEM partner for the highest precision in the world of optics

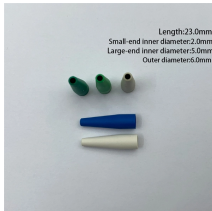

Identify and compare relevant B2B manufacturers, suppliers and retailers. The company, Diamond SA, specializes in manufacturing high-performance fiber optic interconnects, including the only single ...

Fischer Connectors is a Swiss multinational company that designs, manufactures and distributes electrical connectors and optical fiber connectors, cable assemblies and electronic and connectivity ...

Nature of business: Diamond SA is a Swiss company with a long tradition of specialists in the design, manufacturing and assembly of connectors for precision optical fibers, both standard and customized.

These custom Swiss machined fiber optic connectors provide low insertion loss, with tight tolerances for accuracy in your application. Our components can either be fabricated as simplex or duplex connectors.

The globally active Swiss company HUBER+SUHNER develops and produces components and system solutions for electrical and optical connectivity.
