## Terminal Box Housing

## Terminal Box Housing

A large variety of small enclosures: polycarbonate enclosure PK, aluminum enclosure GA, small enclosure KX, carbon steel in the terminal box versions with and without a flange, e-boxes, ...

These terminal blocks come mounted in an enclosure that you can pop directly onto walls or equipment. They also reduce hassle because you can wire your circuits before installing the enclosure.

Terminal Boxes are for use in converting from overhead to under-ground services and for multi-circuit wiring. The NEMA 3R enclosure provides protection for all terminations inside and provides a ...
